SCHEDULES

EVENT SCHEDULE: The skaters' list will be available 30 days prior to the event. The schedule will be sent two weeks prior to the event. Updated schedules will be sent via email. The final event schedule will be sent to the team coach and skaters no later than one week prior to the competition. Please check with your coach or your email for the schedule.

MUSIC

All music will be uploaded through Entryeze. All music must meet the following criteria. If you have questions about what format you have, please contact your coach and get a new version of your music that meets the criteria listed below. **Music deadline** for upload is **May 13th, 2026**. After this you will have to contact the music coordinator directly and will incur a **late charge of \$50.00**.

MUSIC CRITERIA:

- File Format: MP3
- Bit Rate: 192 kbps or higher and Sample Rate: 44,100 kHz
 - This will be verified by the music chair and they may request you upload a corrected file.
- Leaders and trailers (the silence or "dead space" before and after the actual start and end of the program music) may not exceed two (2) seconds. We prefer that there be NO leaders or trailers at all. Excessive leaders and trailers may disrupt the playing of the music during competition.

Competitors must also bring a digital copy of their competition music as a backup in case of technical difficulties and must be available rink side during the competition.

Interpretive and Dance music will be provided by Clearwater Ice Arena.

SKATER CHECK-IN

All skaters must register and pick up their Competitor's Packets at the Registration Desk at Clearwater Ice Arena. Only skaters and coaches with credentials preparing for the next event will be allowed in the Competitors' Area. Parents, please leave your skater with the coach at Competitors Area entrance. All competitors should arrive at the rink at least 60 minutes before scheduled time of their events, check in with the ice monitor at the correct time, and then remain in the check-in area. We will do our best to run on time throughout the competition.

PRACTICE TIME

Freestyle ice times are available during the week; please see our website TampaBayICE.com for the Freestyle schedule. In addition, a limited number of practice ice sessions may be offered prior to competition on both days.

ACCOUNTING REVIEW REQUEST

There are no protests or reviews of judges' sheets in ISI Competition. Once tabulated, the judges' scores are final. The re-tabulation of scores can only be requested by a coach or skating director, who must submit an "Accounting Review Request" form and submit \$50.00 to the ISI Competition Director. This process is only a re-addition of scores conducted by the accountant and the Competition Director, whom are the only individuals permitted to review the judges' sheets. Should the re-tabulation result in an adjustment, the \$50.00 will be refunded. The skater affected by the adjustment will be awarded the correct placement; however skaters in the original tabulation will not be denied their original placements. The decision of the Competition director is final.

COACHES & JUDGES

Each team is required to send 1 judge for every 10 entries on their respective teams. All judges must be current professional members of the ISI. A judges meeting will be announced 10 days prior to the competition. Credentials will be given which allows access to competitor's area and hospitality. All judges must be current ISI Gold Certified Professional Members.

AWARDS

Awards will be presented for first through sixth place in each event. Team Trophies will be awarded to the 1st, 2nd, & 3rd Place teams. Awards will be presented during the course of the competition.
